Complete Guide to Frontier Airlines Name Change Policies & Fees

Mistakes happen when booking flights. Whether it is a simple typo like a misspelled middle name or a major life event like a marriage or divorce, ensuring the name on your Frontier Airlines ticket matches your government-issued ID is critical for clear passage through TSA security checkpoints.

Frontier Airlines maintains a strict structure regarding ticket modifications. Below is an exhaustive breakdown of how to navigate minor corrections, legal changes, and passenger transfers, along with the official, verified ways to contact Frontier customer service.

1. Minor Name Corrections (No Fee)

If you notice a typo on your ticket after completing a booking, Frontier allows you to fix small mistakes without charging a fee. This rule strictly applies only when the correction is for the **same traveler** and is not being used to transfer the ticket to someone else.

What Qualifies as a Free Correction?

- **Typographical Errors:** Typos or spelling mistakes involving up to **three (3) characters**.
- **Swapped Names:** Accidentally entering your last name in the first name field and vice versa.
- **Incomplete Names:** Adding a missing middle name, middle initial, or legal suffix (such as Jr., Sr., III, or IV).
- **Double Last Names:** Adding a hyphenated or double last name that was left off during the initial reservation.

- **Nicknames to Legal Names:** Changing a common nickname to your official legal name (for example, updating "Chris" to "Christopher" or "Abby" to "Abigail").

Important Limitation: Frontier allows only **one free name correction per passenger** per itinerary. If you make a mistake fixing it the first time, additional changes may trigger fees. To process a minor correction, you must connect directly with a live agent via Frontier's official digital channels.

2. Legal Name Changes (No Fee)

If your name legally changed after you purchased your ticket—usually due to marriage, divorce, or a court order—Frontier Airlines will update your ticket at no cost.

Requirements for a Legal Name Change

To get the fee waived for a legal name update, you cannot just tell an agent over the phone or chat; you must submit official documentation to verify the change. Frontier requires:

1. A clear digital scan or photo of your updated government-issued ID (such as a valid driver's license or passport).
2. The supporting legal document executing the name change (a marriage certificate, a divorce decree, or a legal court order).

The Submission Process

Legal changes cannot always be handled instantly via live chat. You must submit your documents through the official **Document Submission Form** located within the Help Center on Frontier’s website.

Frontier mandates that these requests be submitted **at least seven (7) days prior to your scheduled flight departure**. Once submitted, the review and processing window typically takes up to 72 hours.

3. Full Name Changes to a Different Passenger (Fees Apply)

Most commercial airlines strictly prohibit transferring a plane ticket to another person. Frontier Airlines is an exception to this rule; they do allow you to change the name on a ticket to an entirely different traveler, but it comes at a steep cost.

The Cost Breakdown

If you are changing the ticket to an entirely different traveler while keeping the exact same flight schedule, dates, and cities, you must pay:

- A flat **$75 name change fee** per passenger, per direction.
- Any **fare difference** between the price you originally paid for the ticket and the current market price of that exact itinerary at the time you request the transfer.

Changing Names and Flight Dates Simultaneously

If you need to transfer the ticket to a new person *and* change the flight dates or destinations, the financial penalties compound. You will be required to pay the $75 name change fee, the applicable fare differences, and Frontier's standard itinerary change fee. As of 2026, Frontier's itinerary change fees are tiered based on how far in advance you make the change:

- **60+ Days Prior to Departure:** $0 change fee (only fare difference applies).
- **59 to 7 Days Prior to Departure:** $79 per passenger, per direction.
- **6 Days or Less Prior to Departure:** $129 per passenger, per direction.

Note: If you originally purchased an Economy, Premium, Business, or Bizfare bundle, your itinerary change fee may be waived ($0), but the $75 passenger transfer fee will still apply.

4. Updates to Frontier Miles Accounts

Modifying the name on a **FRONTIER Miles** frequent flyer account follows entirely separate rules from an active flight reservation.

- Account ownership transfers are **strictly prohibited**. You cannot give your accumulated miles or status to a family member or friend by changing the name on the account.
- Name changes on frequent flyer accounts are restricted exclusively to official legal name changes (marriage, divorce, etc.) and require the submission of legal documents via the online Customer Service Document Form.
- The name on your Frontier Miles account must **exactly match** the name on your flight reservations to successfully earn miles and points for your travel.

5. Verified Official Frontier Contact Channels

When trying to fix a name on a ticket, avoid calling random toll-free numbers found on search engines or third-party travel blogs. Many of these numbers connect to unauthorized third-party agencies that impersonate airline staff and charge fraudulent fees.

Frontier operates primarily through digital customer service channels. Use the following verified methods to safely resolve your name issue:

Channel	Contact Method	Best Used For
Official Live Chat	Available 24/7 at **flyfrontier.com**	Minor typos, first/last name swaps, and general policy questions.
WhatsApp Texting	Text through the link on Frontier's contact page	Fast mobile support for active reservations and typo fixes.

Channel	Contact Method	Best Used For
Voice Support	Call **+1-877-622-0707**	Direct agent voice assistance for active bookings.
Document Form	Digital submission portal on the website	Uploading marriage licenses, divorce decrees, or legal court orders.

Always double-check your boarding pass against your legal ID before arriving at the airport. If a minor spelling error is caught at the gate or the TSA checkpoint on the day of travel, it can lead to significant delays or require you to purchase an entirely new ticket at the airport counter.
